WORKSHOP 13_1

WORKSHOP 13.1

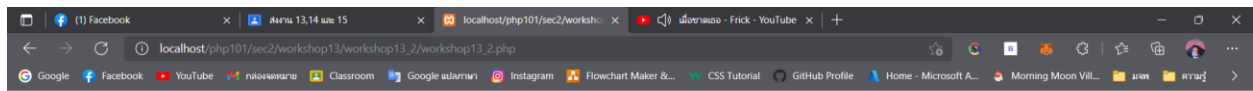

The screenshot shows a web browser window with the address bar displaying `localhost/php101/sec2/workshop13_1/workshop13_1.php`. The page content consists of a list of 30 lines, each with an index in square brackets followed by a number. The browser's address bar and tabs are visible at the top. At the bottom, the Windows taskbar is shown with the Start button, search bar, and several application icons. The system tray on the right indicates the time as 21:27 and the date as 15/2/2565.
